

Order Fulfillment – Fast, Accurate, and For Less

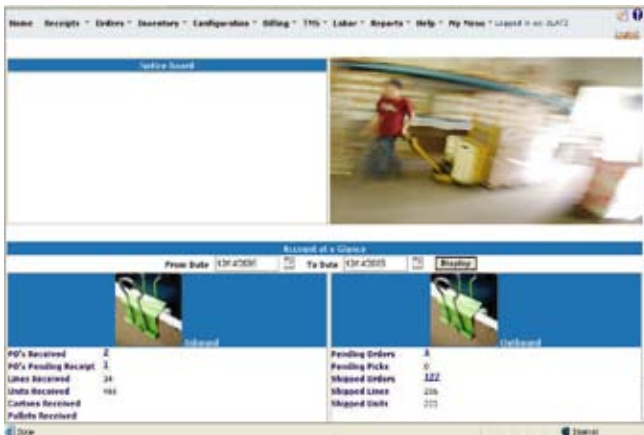

a2b supports companies with varying characteristics. Whether you're a Direct Response Marketer with thousands of consumer-direct orders per day, an Internet Retailer carrying 3,600 SKU's, or a regional distributor selling full pallet loads, best-of-breed processes are incorporated to ensure that your orders ship accurately, quickly (most the same day), and at the lowest possible cost. Industries served include: Toy & Gift, Health & Beauty, Nutraceuticals, Pharmaceuticals, Sporting-Goods, Book & DVD, Licensed Apparel & Novelty, Dry Food & Beverage and more.

Discounted Postage and Freight

Technology in Real-Time

View account data as it happens! With just a click, our clients can access information about inventory, order status, product received, and even track shipments. a2b makes it easy to plug our outsourced solution into the rest of your operation resulting in an efficient, intelligent and unified platform.

SAVE BIG!

a2b's Discount Parcel Program dramatically reduces shipping costs. By presorting and combining volumes for our preferred carriers, a2b realizes deep discounts on postage and freight costs. a2b is a USPS-Certified Presort Shipper. We also manage LTL, FTL, International, Ocean and Air Freight. Benefit from our expertise and carrier relationships to manage all of your freight; Inbound, Outbound and Third-Party.

Value Added Services

There's more to us than speedy order fulfillment. a2b provides a wide array of assembly, kitting, and quality control services to meet your needs. Whether it's boxing, bagging, sorting, fixing, or kitting, no project is too large. We perform value added services on millions of units annually.
