GREENSBORO, GA. –

a2b Fulfillment, a third-party logistics provider with a specialty in value-added services, has added Allison Chesnutt as Account Executive.

“We are excited about the opportunity to work with Allison who has proven experience with building meaningful and long-lasting business-to-business relationships”, says Ayal Latz, President of a2b Fulfillment. “Our company continues to grow at earth-shattering speed, and it is important that we expand our infrastructure to both support our current customers, as well as acquire new ones,” said Latz.

Chesnutt comes to a2b Fulfillment from a successful career in business development with SunTrust Banks, Inc. She knows how to identify the clients’ needs and to then tailor creative solutions from our ever-growing portfolio of services. “I am excited for the chance to join a rapidly expanding company with great potential for continued growth in the future. This provides a wonderful opportunity and challenge for me to add value to a2b Fulfillment using my experience and skill set in both sales and business development” said Chesnutt.
